

Church Profile

Culver Christian Church is 108 years old with approximately 100+ attenders, including children, located in a suburban/rural setting.

We have an active children's ministry, youth ministry, men and women's ministry and 6 'life' groups. Sunday worship services are Bible based.

Our mission is to Love God & Love others and we accomplish this by the 3M;s: Maturing in Christ, finding Ministry through Christ and by being on Mission for Christ.

We are a stable congregation with pastors who have enjoyed significant tenure while serving at this church and in our community.

With the resignation of our Senior Pastor in September of 2019, we are searching for a Senior Pastor to serve in a leadership structure, as an elder, with the elder board.

Please see our website for additional information on Culver Christian Church and the local city and Jefferson county, Oregon websites for information on the community.

In His Grace,
