

## Culver Christian Church Profile

Culver Christian Church is 113 years old with an attendance of 75 to 100 attenders, including children. We are located in a rural setting.

We have an active children's ministry, youth ministry, men's and women's ministry. Sunday worship services are Bible based. We have had both a traditional and contemporary service in the past, but currently only offer a rather traditional service.

We value our heritage as a **Restoration Movement Church**. Our mission is to Love God and Love People. We accomplish this by **Maturing in Christ**, finding **Ministry through Christ** and by being on **Mission for Christ**. Our prayer is to faithfully follow Christ sharing the gospel message with everyone. We would like to add emphasis toward young families and youth.

We are a stable congregation with pastors who have enjoyed significant tenure while serving at this Church and in our community.

Our current pastor Chris Blair left to attend to family health needs.
